Family Paradise by the Beach

The Beachside Estate is a true slice of paradise. Situated opposite Mount Coolum, this very private well-planned residential development offers direct access to pristine surf beaches, plus first-class facilities such as tennis court, a tropical pool and a large BBQ area.

As a gated community, it is also the perfect playground for kids to kick a ball on the beautifully manicured parklands and roam along quiet, leafy streets on their skateboards and bicycles, well protected from road traffic and other hazards of the outside world.

8 Waimea Bay Road is a beautiful home tailor-made to suit this enviable lifestyle. Built only four years ago with sleek, contemporary lines, high ceilings and an abundance of internal space, it is the perfect beach house where you sit back and relax after a long day in the surf.

A vast light-filled open-plan living and kitchen area with adjacent all-weather terrace occupies most of the ground level. Together with the additional space of a large butler's pantry, a cleverly hidden private study and a versatile rumpus or media room, it is an environment suitable for your private enjoyment as much as for entertaining the largest of crowds.

The upper level offers all the privacy you need. The enormous master bedroom features a lavish ensuite and a spacious balcony. Three more bedrooms plus another bathroom provide plenty of room for family and friends.

With its clever design and almost zero maintenance, this residence is perfectly suited for a lifestyle full of activities. Majestic Mount Coolum, one of the Sunshine Coast's most iconic hiking and rock climbing spots, awaits at your doorstep. More beautiful beaches and promenades full of cafés, restaurants and shops are just a short drive away, to the North in the town of Coolum Beach and to the South in the lovely beachside villages of Marcoola and Mudjimba. Boating enthusiasts can launch their watercraft at the Maroochy River, golf lovers have the choice between the Palmer Coolum Resort and the Mount Coolum Golf Courses.
