30 Karinya Pl, Twin Waters

Magic Lifestyle, Magnificent Views

Situated on one of the largest and most beautiful allotments in Twin Waters, this magnificent residence offers sweeping water views reaching from a tranquil, picturesque bay to the massive expanse of the main lagoon.

Calming and uplifting at the same time, the presence of water all around you is intense. As you wander along the waterfront deck gazing across the gleaming stainless steel railing, it is easy to let your thoughts drift away, daydream and imagine you were aboard a ship moored in a pretty harbour.

With almost 40 metres in length, the waterfront forms the main stage of this outstanding property, accommodating an all-weather BBQ area with an automatic Vergola roofing system and a lower second deck to launch your canoe, all framed with meticulously landscaped gardens that require little to no maintenance.

The open plan living inside is no less spectacular. Carefully planned and designed by the current owners to suit the V-shaped 1026m² block and to capture cool summer breezes as well as an abundance of natural light, this home offers entertaining spaces for all moods, all occasions and all kinds of weather. Gather around the central kitchen, sit back for an after-dinner drink in the lounge or share good times with friends and family around the pool, where the remote-controlled triple feature fountain gurgles a soothing background melody. The North-facing poolside patio is so well integrated into the home that in- and outdoor living come together as one, with the frameless glass pool fencing unobtrusively integrated as a part of the design.

Stylish and well separated from each other, all three bedrooms spoil their occupants with privacy and individual character. One bedroom opens to the pool, the second to a light-well with a tranquil water feature. The master suite is opulent in size, capturing the magic waterfront setting with epic views from both bedroom and bathroom.
